

BULL MOOSERS GATHERING FOR STATE CONVENTION

State-Making Going On, With Colby a Factor in Race for Governorship.

UTICA, N. Y., Sept. 2.—Bull Moose delegates to the State Convention are coming in with every train. Chairman William H. Hotchkiss came in last evening and immediately took charge of the headquarters. He announced the making of the committee on Resolutions and then went into conference with new party leaders until an early hour this morning.

Miss Mary Drier and Ernest Harris, both of New York City, were among the early arrivals, and both have got down to work.

"No slate has been prepared for the State ticket," declared Mr. Hotchkiss, "and I believe the candidates will be developed by the convention."

However, there is every evidence of a hot fight for control of the convention. According to reports there will be a lively scramble for the gubernatorial nomination.

Bainbridge Colby of New York City has loomed up as a formidable opponent to Hotchkiss for the nomination.

This September Sale of CHINA Rock Crystal, Cut Glass and LAMPS

Today hundreds of New York housekeepers are expressing their amazement at the wonderful offerings presented in this annual Gimbel Sale. Months of aggressive, intelligent, expert work, among foreign and American manufacturers, have brought forth marvelous results. The Display of wares is the FINEST and BROADEST ever assembled at special prices. China and Rock Crystal of dignity and elegance are quite as radically underprice as the wares that are more commonly offered.

The list tells part of the story; but the true significance of the occasion can only be realized by viewing the exhibitions on the Main Floor Aisles, and on the Fifth Floor.
